NOW, THEREFORE, the Grantors in consideration of the premises and covenants herein contained and of the sum of Ten Dollars (\$10.00) and other good and valuable considerations, the receipt of which is hereby acknowledged, and in consideration of the agreement and consent of the parties of the Second part, do hereby grant, bargain and sell, convey, transfer, assign and set over unto the said Trustees, their successors and assigns and do hereby change, modify and amend the Indenture recorded on July 17, 1959 in Book 330, page 277 and Amended Indenture recorded on August 12, 1959 in Book 330, page 706, in the St. Charles County, Missouri records and that it is agreed as follows, to-wit:

1. That Article III, Section 5 shall be amended, modified and changed to read as follows:

5. No building or structure shall be erected, placed or altered on any lot in O'Fallon Hills until the building plans, specifications and plot plans showing the location of such building or structure have been approved in writing by the Trustees as to type of structure, square footage, general plan, external design, compliance with restrictions and as to location of the building or structure with respect to property and set back or side lines. Should the Trustees fail to approve or disapprove such building plans, specifications and plot plans within sixty (60) days after such plans have been submitted, or, in any event, if no suit to enjoin the erection of such building or structure, or the making of such alterations has been commenced prior to completion thereof, then such approval will not be required and the requirement herein set forth will be deemed to have been met.

2. That Article V, Section 1(a) shall be amended, modified and changed to read as follows:

1(a). No lot in any block shall be improved or occupied for other than private, single-family, residential purposes; and no business of any kind shall be conducted on any lot.

3. That Article V, Section 1(e) shall be amended, modified and changed to read as follows:

1(e). No dwelling shall be constructed on any lot with less than one thousand two hundred (1200) square feet of floor space, excepting porches and porticos.

4. That Article V, Section 1 shall be amended, modified and changed to include a new subsection (n) which shall read as follows:

1(n). Only permanent residences shall be constructed on any lot and no mobile home and/or modular unit shall be placed and/or constructed on any lot. Modular unit means a factory fabricated transportable building unit designed to be used by itself or to be incorporated with similar units at a building site into a modular structure to be used by residential purposes. The intent of this section includes but is not limited to the fact that the flooring and subflooring systems shall be constructed on site at the lot.

5. It is further agreed that invalidation of any one of these covenant or any part or subpart thereof by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have amended the Indenture and Amendment regulating the use of private streets and easements in the Subdivision known as O'Fallon Hills and defining restrictions governing lots therein as executed, and as so amended have caused the same to be republished herewith.
