Welcome

Dear Neighbors,

As we reach the midpoint of the year, we are delighted to share the latest news and updates from our vibrant community. This edition of our newsletter highlights the events, achievements, and initiatives that have taken place over the past six months.

From neighborhood gatherings and improvement projects to important announcements and future plans, we aim to keep you informed and engaged. We hope you enjoy reading about the milestones we've achieved together and the exciting activities on the horizon. Thank you for being an integral part of our wonderful community!

Annual Assessments

Annual assessments, due on March 1st each year, play a crucial role in maintaining and enhancing our community. Each household contributes \$50, which directly fund various essential services and improvements. These fund cover costs for street lighting and necessary insurance.

Beyond the basics, the collected assessments also support community engagement and enjoyment. They help finance contest winnings, providing fun and friendly competition for residents, and fund future events that bring everyone together. This annual

contribution not only sustains our community's infrastructure but also fosters a vibrant and connected neighborhood atmosphere.

Clover Development

Our new neighbors will be a senior community

Construction for the new Clover Developments project is set to begin this July. The construction team will use W. O'Fallon Drive as the primary entrance for all construction activities. Upon completion, this entrance will also serve as the main access point to the development. This strategic decision aims to streamline traffic flow and ensure minimal disruption to our existing roadways.

This plan was thoroughly reviewed and approved by the Highway Department after a comprehensive traffic study was conducted. The O'Fallon City Council has also given its official approval, ensuring that all necessary measures are in place for a smooth and efficient construction process. The positive impact of Clover Developments on our community is highly anticipated, and we appreciate your patience and cooperation during the construction.

Housekeeping

Changes to the trustees and reminders

We are pleased to welcome Emily Gremminger as our new secretary. We also extend our heartfelt thanks to Donna Reed for her hard work and dedication in her previous role.

Looking ahead, a trustee position will become available in 2025. This is a 3-year term, and candidates must be property owners in our subdivision. We encourage interested residents to consider this opportunity to contribute to our community.

This position will be voted on at the annual meeting which is held in January or February each year. 2025 date will be published on the website and newsletter.

Additionally, please be reminded that St. Charles County enforces a grass height limit of 10 inches. Additionally, we ask that you mow all the way to the street. Keeping your lawn trimmed not only complies with county regulations but also helps maintain the neat appearance of our neighborhood.

Annual Contests

Show some spirit, win some cash!

Get ready to showcase your festive spirit in our annual Halloween and Christmas decorating contests! **To participate, residents must be current on their assessments.**

Halloween contest judging will take place no later than October 27th. For the Christmas contest, judging will take place no later than December 28th. These contests are a wonderful way to bring our community together and celebrate the holidays in style. We look

forward to seeing the creative and dazzling displays that make our neighborhood shine.

Neighborhood Party

You're invited! We'll be having a BBQ on Sunday September 22nd from 12p-5p at Fort Zumwalt Park! There will be music, hot dogs, hamburgers, chips and games! Bring your favorite drink to share! Formal invitation to follow.

Current Trustees

Mary Jordan
Kristen Ray
Barry Smith
Emily Gremminger, Secretary
